**Supporting Cancer Care  
 at Headwaters Hospital  
 in Orangeville**

Greetings!

I initiated the Rip Gauthier Classic in 2003 in memory of my husband who succumbed to lung cancer. Hosting a one day hunter derby at the farm we built and love had been a dream of ours.

All proceeds from the day go directly to Headwaters Hospital – all operational costs not defrayed by in-kind sponsors are my personal donation. To date we – you - have raised almost \$150K!!

At every turn someone is struggling with cancer - personally or with a parent, spouse, child or friend. Whether breast, brain, lung, ovarian, leukemia or melanoma the journey is the same and the need for funding critical. There are walks, runs, cycling tours, tennis matches, skip a thons – anything and everything to get participation and support - so why not a day of equestrian competition and fun? This is your chance to give back and support while doing something you love.

The day is framed around two feature classes - a 3' amateur derby in the morning and an open 3'6" class in the afternoon. Last year we included the next generation and I am thrilled to welcome them back again for lead line and cross rails. The courses are always beautiful, fun to ride and stress free! ☺ Gourmet coffees, midday cocktails, tailgate picnics or the Rip Roaring BBQ and the Silent Auction all contribute to making the day memorable, spirit lifting and most importantly one that contributes to making the journey of those fighting for their lives a little more comfortable.

I challenge you all to saddle up and come out on Saturday October 14 to help raise as much \$ as we can for cancer care at Headwaters Hospital. Get some friendly competition going - why not challenge another barn or friend horse for horse?

Fondly,  
*Willa D. Gauthier*
